

Dear Personal Fitness Professional,

Thank you for your interest in PowerBlock products and the PowerBlock Personal Trainer Program.

The purpose of the program is to:

Get portable, space saving selectorized dumbbells in the hands of the professional Personal Trainer who can both benefit by the portable, space saving features of the product and expose the product to clients.

Benefits of the program to the trainer:

The Personal Trainer is rewarded with a discount on PowerBlock products for their Personal Training business use. The trainer also receives a free trainer kit; including laminated workout posters, training & Nutrition log book, Interactive CD-Rom, and large posters for training facility.

To qualify for the Personal Trainer Program, the following is required:

A copy of certification from recognized organization.

A signed copy of Personal Trainer Agreement.

If mailing information, mail to:

PowerBlock, Inc.
